### Do you have a cell phone?

Please turn off cell phones or place them on silent mode. Thank you.

### Sound Bites for Life

Our Sunday Morning Bible studies are aired weekly on Power 91 (91.1 FM) at 10am. The same study is now repeated weekly, on Sunday evenings at 6pm. Tune in and tell a friend. Additional information and an audio library of the Bible studies are available at [www.soundbitesforlife.com](http://www.soundbitesforlife.com).

### In The Word!

Today – Pastor Joe Carroll is teaching a survey of Job in a series entitled "A Living Will".

Thursday Night – Teaching through the Bible from Genesis to Revelation. We are currently studying the Book of Revelation.

A teaching outline for today's Bible Study is included in this bulletin on the backside of the Study Notes sheet. If you need an additional copy, please see an usher.

**A note to parents...** We have a passion for God's Word *and* for God's kids, and we realize that the short attention span of a child in an adult teaching environment can cause your child to become uninterested. For that reason, we ask that all children up to the 6<sup>th</sup> grade enjoy our age-appropriate classrooms where cheerful servants have been looking forward to ministering to your special ones.

### Do you have a prayer need? Are you visiting us today?

After you have looked at the information found within our bulletin, you might have some questions about Calvary, or a prayer need. Please take the time to fill out an information sheet and drop it in one of the tithe boxes.
